

2018 ROSÉ GRENACHE

TURKEY FLAT VINEYARDS BAROSSA VALLEY GRENACHE

OUR STYLE

Beginning in 1994, we were amongst the first to lead the great Rosé Revival & have since developed a cult following. Beautifully aromatic, this is a light, crisp & dry blend.

THE 2018 VINTAGE

The 2018 growing season was long, hot and dry leading to a slightly early, low yielding vintage. The wines from the 2018 vintage are fruit rich, well coloured and of substance. The vintage will be remembered for producing wines that reflect the generosity for which has made the Barossa famous.

TASTING NOTES

Playful.
Fresh peach.
Tangerine peel.

ENJOY WITH

Friends, under a tree or by the water on a hot, summer's day. Not summer? Just turn up the heat & serve with Asian or Spanish inspired spicy or seafood dishes. Always served chilled.

OUR WINEMAKING

Bucking the notion that Rosé is an afterthought, our 'Prince of Pink' has a special place in our hearts & is crafted with a clear purpose. We create the lifted palate of bright, primary fruits by placing rosey-cheeked Grenache in its starring role. Sourced from specific sites achieving perfect yields promoting prominent primary fruit while retaining appealing palate cleansing crispness.
